In re:

PG&E Corporation, Pacific Gas And Electric Company, Debtors
Case # 19-30088 (DM)

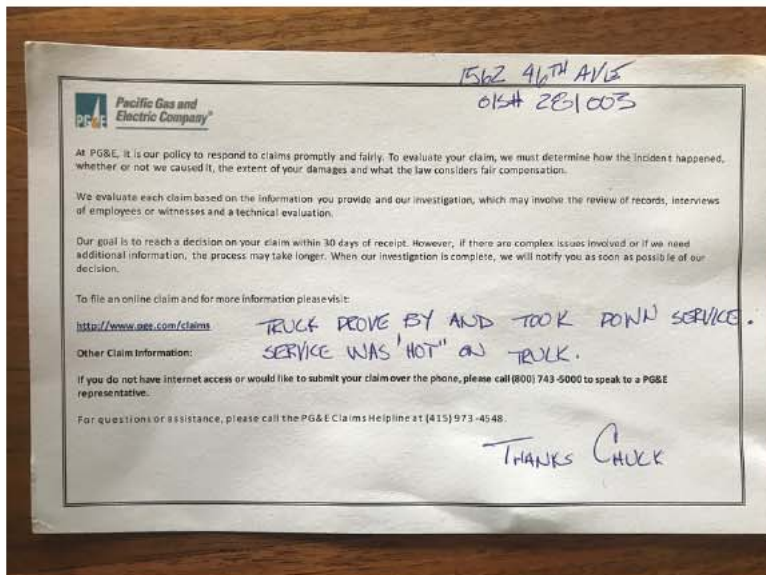

Claim # 1073, filed 02/25/2019, \$2,261.62
Bruce Willems, 1546 46th Avenue, San Francisco, CA 94122

Stated reason for disallowance: "Damage not caused by PG&E"

Response: Claim should not be disallowed on the basis that the reason for disallowance is not true, as shown in the original claim. PG&E caused the damage and was deemed liable by the employee.

I declare under penalty of perjury that my statement is true. The original PG&E employee who issued my "incident card" also signed his name to the statement.
